COMMONWEALTH OF KENTUCKY

BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

AN EXAMINATION BY THE PUBLIC SERVICE COMMISSION OF THE APPLICATION OF THE FUEL ADJUSTMENT CLAUSE OF EAST KENTUCKY POWER COOPERATIVE, INC. FROM NOVEMBER 1, 1995 TO APRIL 30, 1995	))) CASE NO. 94-459-C)))

O R D E R

East Kentucky Power Cooperative, Inc. ("EKPC") has moved for rehearing on the Commission's Order of January 15, 1997 in which it denied EKPC's petition for confidential treatment of certain information. ABB Power Generation, Inc. ("ABB Power") has moved for intervention in this proceeding for the limited purpose of asserting the confidentiality of the information for which EKPC previously has sought confidential treatment.

Having considered the motions and being otherwise sufficiently advised, the Commission finds that:

1.   ABB Power has a special interest in this proceeding that is not otherwise adequately represented and that its intervention is likely to present issues or to develop facts that will assist the Commission in fully considering the matter without unduly complicating or disrupting this proceeding.

2.   ABB Power's motion for intervention for the limited purpose of asserting the confidentiality of certain information should be granted.

3.   EKPC's motion for rehearing should be granted to permit consideration of ABB Power's petition for confidential treatment.
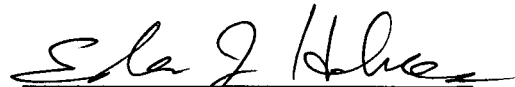

IT IS THEREFORE ORDERED that:

1.   ABB Power's Motion to Intervene is granted.

2.   ABB Power is made a party to this proceeding for the limited purpose of asserting the confidentiality of certain information.

3.   EKPC's Motion for Rehearing is granted.

4.   ABB Power shall file within 30 days of the date of this Order its petition for confidentiality and any supporting memorandum.

5.   The material at issue shall continue to be accorded confidential treatment until further notice.

Done at Frankfort, Kentucky, this 21st day of February, 1997.
